

**Our students met her one of
the first**

Today, 11.04.2024, the first cosmonaut of the Republic of Belarus Maria Vasilevskaya returned to Minsk from the Star City! Since the morning at the airport Minsk-2, she was met by delegations of various organizations and, including the student youth of the universities of the capital, among which were students of the Faculty of Economics and Management. who

saw it first!
